To take advantage of this benefit, please use the following procedures:

- To make a tee time at either partner course, please call Heritage Hills Staff at 660-269-8659.
- Tell our staff what course you want to play and when you would like to play.
- List the names of each eligible Annual Pass Holder that will be in the group.
- Our staff will contact the partner course and schedule a tee time as close as possible to your desired time.
- Our staff will verify the eligibility of the Pass Holders with the partner course.
- The staff will then contact you with the confirmation of the tee time.
